Where a grant of Performance Rights requires Shares to be delivered on vesting of the Performance Rights:

- (a) the Company will give notice to the Participant as to the number of Shares to be delivered in respect of the Vested Performance Rights as soon as practicable after the Performance Rights have become Vested Performance Rights; and

(b) Bonus Issues

If the Company makes a pro rata bonus issue of Shares to holders of Shares (other than an issue in lieu or in satisfaction of dividends or by way of dividend reinvestment) and Shares in respect of Performance Rights held by a Participant have not been issued or transferred to, and registered in the name of, the Participant before the record date for determining entitlements to the bonus issue, then the number of Shares subject of the Performance Rights held by the Participant must be increased by the number of Shares that the Participant would have received if the Shares subject of the Performance Rights had been registered in the name of the Participant before the record date for the bonus issue.

(c) Rights Issues

If the Company makes a pro rata issue of securities (except a bonus issue) to the holders of Shares (other than an issue in lieu or in satisfaction of dividends or by way of dividend reinvestment):

- (i) if there is no Exercise Price for the Performance Rights, the number of Performance Rights (or other terms and conditions applicable to the

Performance Rights) held by a Participant may be adjusted in such manner as the Board in its discretion determines. Such adjustment, if any, is subject to the Listing Rules, the Corporations Act and any other applicable law; and

- (ii) if an Exercise Price is payable in respect of Performance Rights, the Exercise Price must be changed in the manner specified in the Listing Rules applicable to options at the time of the pro rata issue.

4.7 Reorganisation

If there is a reorganisation of the issued ordinary share capital of the Company, the number of Shares to be delivered in respect of each Performance Right, or the Exercise Price (if any) payable by a Participant in respect of Shares to be delivered to a Participant, will be reorganised in the manner specified in the Listing Rules applicable to options at the time of the reorganisation.

5. Lapse of Performance Rights

5.1 Lapsing Events

When granting Performance Rights under Rule 3, the Board may at its discretion determine that the Performance Rights granted are subject to the provisions of this Rule 5 for a period of up to 10 years from the date the Performance Rights are granted.

5.2 Occurrence of Lapsing Event

While Performance Rights held by a Participant are subject to this Rule 5, if a Lapsing Event has occurred, the Performance Rights will immediately lapse and cease to exist.

5.3 No rights to expired or lapsed Performance Rights

A Participant has no rights in respect of any expired, lapsed or ceased Performance Right and releases and shall hold harmless and indemnify the Group, each Director and the Board from and against any claim or liability in respect of lapsed Performance Rights and from any claim that might otherwise arise from the expiry, lapse or cessation of an Performance Right.

5.4 Removal of Lapsing condition

The Board may determine at its discretion and at any time that some or all Performance Rights of a Participant are no longer subject to Rule 5 in respect of some or all Lapsing Events and will notify the relevant Participant in writing of such a determination. The Board may establish procedures for the purpose of making such a determination.

6. Disposal Restrictions

6.1 Enforcement

For the purpose of enforcing any Disposal Restriction, the Company may do all things and enter into arrangements with the share registry or otherwise that it considers necessary, to enforce such Disposal Restriction. Participants will be bound by such arrangements and upon request by the Company will do all things necessary to give effect to those arrangements.

7. Change of Control

Upon the occurrence of a Change of Control:

- (a) if the Vesting Conditions that apply to particular Unvested Performance Rights held by a Participant include specifications as to the time of vesting ("Non-Exercise Period Condition"), then subject to paragraph (b), a proportion of those Unvested Performance Rights will become Vested Performance Rights on a pro rata basis determined by the Board having regard to the number of days elapsed from the Time of Grant and the time at which vesting would otherwise have occurred;
- (b) if, in addition to a Non-Exercise Period Condition, other Vesting Conditions ("Performance Conditions") apply to those Unvested Performance Rights, the Board, having regard to those Performance Conditions and the extent to which the likelihood that those conditions would have been satisfied can be estimated, may, subject to such terms and conditions as it decides, determine that:
 - (i) a lesser number of the Unvested Performance Rights than would have vested under paragraph (a) will vest and the Performance Conditions applicable to those Unvested Performance Rights are waived; or
 - (ii) the Performance Conditions applicable to the Unvested Performance Rights that would vest under paragraph (a) are waived;
- (c) if only Performance Conditions apply to Unvested Performance Rights, a proportion of those Unvested Performance Rights will become Vested Performance Rights:
 - (i) subject to subparagraph (ii), on a pro rata basis determined by the Board having regard to the number of days of the period in respect of which achievement of the Performance Condition is to be measured; and
 - (ii) provided that the Board may, having regard to those Performance Conditions and the extent to which the likelihood that those conditions would have been satisfied can be estimated and subject to such terms and conditions as it decides, determine that a lesser number of the Unvested Performance Rights than would have vested under subparagraph (i) will vest;

- (d) where the Performance Rights are required to be exercised by a Participant, the Board may at its discretion and subject to such terms and conditions as it determines require that some or all of the Vested Performance Rights be exercised; and
